Experience the magic of Fiddler on the Roof like never before with the acclaimed National Yiddish Theatre Folksbiene production, performed entirely in **Yiddish with English supertitles**. One of the most beloved and enduring musicals in Broadway history, Fiddler on the Roof has captivated audiences for generations. In 2018, New York's National Yiddish Theatre Folksbiene reimagined this timeless classic by restoring it to the language and cultural setting in which the story was born. Hailed as a landmark production, it earned the Drama Desk Award for Outstanding Revival of a Musical and has received widespread critical acclaim.

Now this extraordinary production is coming to The Ahmanson Theatre in Los Angeles, and we invite you to join us for a memorable afternoon of theater, community, and Jewish culture.
