

The Adult Ed. Committee would like to know if you would seriously consider attending the event below as a group and taking a bus to University Synagogue. If we have 30 people or more interested, then we can get a free bus to take us to the event. Please click the link below to indicate if you are interested in attending the event. You will be required to obtain your own tickets. This is just to determine if we have enough interest to reserve a bus to make the trip. We need your response no later than Sunday, November 1st.
