Tazria-Metzora  
Leviticus 12:1-15:33

Israel's Memorial (Yom HaZikaron) and Independence Days (Yom HaAtzma'ut) occur this year on April 20–22. According to the Israel Policy Forum, "Israel matters to Jews today as a vital, democratic, and secure homeland that ensures Jewish safety and continuity, preventing the recurrence of historical persecution like the Holocaust. It is the epicenter of Jewish identity, culture, and biblical heritage, serving as a refuge for Jews worldwide and a vibrant center for Jewish life and pride." --by Rabbi Mordechai Becher. For the Jewish community, Israel represents heaven on earth. It is where God encountered the Israelites and where the community gathers and to feel more connected to Jews from previous generations and to Jews living today. – Rabbi Muroff

Abridged Prayer for Peace  
By Rabbi Nachman

May it be Your will,  
Holy One, our God, our ancestors' God,  
that you erase war and bloodshed from the world  
and in its place draw down  
a great and glorious peace  
so that nation shall not lift up sword against nation  
neither shall they learn war any more.

Rather, may all the inhabitants of the earth  
recognize and deeply know  
this great truth:  
that we have not come into this world  
for strife and division  
nor for hatred and rage,  
nor provocation and bloodshed.

We have come here only  
to encounter You,  
eternally blessed One.

So may it be.  
And we say:  
Amen.

A Prayer
