May we see the day when war and bloodshed cease,
When a great peace will embrace the whole world.

*Then nation will not threaten nation,
And [humanity] will not again know war.*

For all who live on earth shall realize
We have not come into being to hate or to destroy.

*We have come into being
To praise, to labor, and to love.*

Compassionate God, bless the leaders of all nations
With the power of compassion.

Fulfill the promise conveyed in Scripture:

I will bring peace to the Land,
And you shall lie down, and no one shall terrify you.

*I will rid the Land of vicious beasts
And it shall not be ravaged by war.*

Let love and justice flow like a mighty stream.

Let peace fill the earth as the waters fill the sea.

And let us say: Amen.

A Prayer for the State of Israel
by Rabbi Anat Hoffman, director of the Israel Religious Action
Center

My God אֱלֹהֵי

In this sacred moment, give us hope for Israel and her future.
Renew our wonder at the miracle of the Jewish State.

In the name of the pioneers who made the deserts bloom -
give us the tools to cultivate a diversity of Jewish expression
in Israel.

In the name of our fallen soldiers - give us courage to stand
up to the words and ways of zealots. Those in our own midst
and those among our neighbors.

In the name of Israeli inventors who have amazed the world
with their innovations – help us apply the same ingenuity to
finding a path to peace.

In the name of all these individuals - grant us the strength to
conquer doubt and despair in Israel.

Replacing doubt with action.

Replacing despair with hope.

And let us say: Amen.
