Sh'lach

Numbers 13:1-15:41

When I was a child and we visited my Bubby and Zeidie, my mother needed to sit upstairs in the balcony when we went to synagogue. It never seemed right or fair. Thankfully there were egalitarian Temples when I was raising my daughters. They learned from a young age that they too mattered, that they too were loved fully by God, and that there was a place for them in active Jewish life. Judaism is richer with the presence and participation of women in the pews and on the pulpit. Let's continue the progress of the past and make it a more meaningful future for all. – Rabbi Muroff

Abridged Prayer for Peace
By Rabbi Nachman

May it be Your will,
Holy One, our God, our ancestors' God,
that you erase war and bloodshed from the world
and in its place draw down
a great and glorious peace
so that nation shall not lift up sword against nation
neither shall they learn war any more.

Rather, may all the inhabitants of the earth
recognize and deeply know
this great truth:
that we have not come into this world
for strife and division
nor for hatred and rage,
nor provocation and bloodshed.

We have come here only
to encounter You,
eternally blessed One.

So may it be.
And we say:
Amen.

A Prayer
By Cantor Baruch Harlap

He who blessed our forefathers

Abraham, Isaac and Jacob

May He bless

The soldiers of

The IDF

May He bless

The heroes, the brave,

The Army of the United States

Lead them safe

Send them success

And we all say

Amen
